Discussion

- We are partnering with the YMCA for the DJJD fun run and getting 40% of the profit
- Tax filings are all up to date on the Federal Level—still need to file with the State. Matt is looking into this
- Platforms—going to trial Zeffe—can breakdown fundraising into different campaigns and use QR codes for raising funds. Matt will set this up for the XC fundraisers.

Next meeting:

Sunday November 15th at 6:30PM at Erin's house
